FIND & DO MORE
in California's Gold Country
with

doPlaces.com
the handy on-line guide
to the Mother Lode

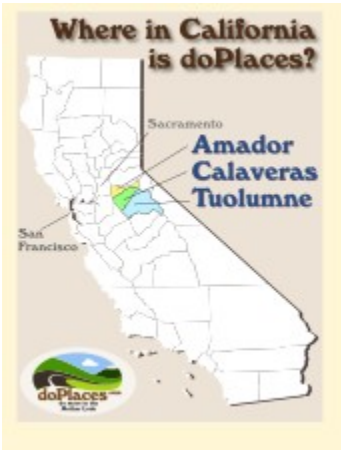

ADVENTURE STARTS HERE!

ABOUT DOPLACES.COM

doPlaces.com is an on-line community guide designed to be *awesome to use on your computer, tablet, or smartphone!* Not an App - nothing to install – can use it anytime you have a web browser and an internet/data connection,

doPlaces covers the diverse terrain of **Amador, Calaveras, and Tuolumne Counties** in the central part of the California Sierra Nevada foothills – part of California’s Gold Country – and only that - you won’t be distracted by stuff not in the area and too far away.

USING DOPLACES

With well over 1,500 listed items (and growing,) there’s too much to see on one page, below are some of the controls in doPlaces.com to make finding stuff easier...

Find

Find what interests you by selecting from over 150 categories.

Search

Easily search for key words, names, descriptions, and categories of places, events, and notices..

Near By

Reduce your results to just a county, town, or within a radius of any place you select, or even where you are right now!

Picks

Select the things you like on doPlaces then print, share, or vote for your favorite in the My Picks page/ Discover the “Top Picks” - the places with the most votes!

Map View

Use the interactive Map View to view your results on a scrolling map.

FREE LISTINGS

List your local place, business, group, event, notice or announcement free!

(for a modest rate, upgrade to an enhanced listing and support doPlaces.)
